Comprehensive Approach to Cannabis Packaging

Our expansive suite of services and global capabilities allow us to effectively meet all your packaging needs.

Whether your brand is in search of stock components, custom design solutions, sustainability strategies, or brand design, Berlin Packaging has you covered from concept to commercialization. We have a vast network of manufacturers with hundreds of stock bottles, tins, jars, tubes, and closures in a variety of shapes, sizes, and materials.

Beyond that, our Studio One Eleven® design and innovation division develops world-class custom solutions that bring cannabis brands to life.

The Studio's team of strategists, designers, and engineers develop brand names, positioning strategies, custom structural design, graphic design, secondary package design, and more.

Studio One Eleven® conceptualized and created the Cannapolis brand, a new line of cannabis products for any mood or state of mind. Like the world's greatest cities, Cannapolis has something for everyone.

We Believe Anything is Possible®

With over 100 years in the packaging industry, more than 1,500 packaging professionals and a global network of suppliers and warehouses, we offer 50,000+ SKUs of plastic, glass, and metal containers, closures, and dispensing systems across all markets for customers just like you.

Our Business Model

Berlin Packaging is not a distributor. We're not a manufacturer. And we're not a packaging consultancy. Instead, we're all three at the same time. We are best-of-breed amongst manufacturing, distribution, and value-added service providers. We are the world's largest global Hybrid Packaging Supplier®.
